Pryde Social — DMCA Copyright Policy

Last Updated: December 28, 2024

Introduction & Purpose

Pryde Social ("we", "our", "the platform") respects the intellectual property rights of creators, artists, and copyright holders. We expect all users to comply with applicable copyright laws, including the Australian Copyright Act and international copyright standards such as the Digital Millennium Copyright Act (DMCA).

Pryde Social is a hobby-operated platform based in Australia. We do not maintain a physical mailing address for legal notices. All copyright notices must be submitted via email only.

This DMCA Copyright Policy explains:

- How to submit a copyright takedown notice
- How Pryde Social responds once a notice is received
- How to submit a counter-notification if your content is wrongly removed
- Our repeat-infringer policy
- Consequences for filing false copyright claims

If you believe someone is using your copyrighted work without permission, you can request removal by submitting a valid notice.

- Strike 3: Permanent ban

Strikes expire after 6 months with no further copyright issues.

Misuse of the DMCA Process

- Legal liability
- Account suspension
- Account termination
- Potential civil penalties under applicable laws

Please ensure your claim is legitimate before submitting.

Fair Use and Exceptions

Not all uses of copyrighted material constitute infringement. Content may be protected by:

- Fair use
- Parody
- Commentary/criticism
- Transformative use
- User-granted permissions

If you believe your content qualifies as fair use, you may explain this in your counter-notification.
